

BLANCO

BLANCO

Impeccable quality. Innovative design. Unmatched attention to detail. Superior craftsmanship. That's what comes of more than 80 years of experience at BLANCO in kitchen sink and workstation design and manufacture. Complementary to PERFORMA is BLANCO's complete selection of sophisticated sink designs and models, as well as elegant faucets and accessories that enhance and blend seamlessly into any kitchen landscape. From finely detailed, handcrafted STEELART sinks and the natural warmth and beauty of SILGRANIT, to the elegant artistry of BLANCO faucets, BLANCO products are celebrated worldwide for their unmatched quality and timeless beauty.

STEELART

Handcrafted in Germany, the BLANCO STEELART brand represents the absolute pinnacle of BLANCO quality and design.

Stainless Steel

Made from premium quality 18/10 chrome-nickel stainless steel and precision-engineered in Germany to exacting standards of quality and design, BLANCO sinks offer timeless beauty and durability.

SILGRANIT®

Made of 80 per cent natural granite, BLANCO SILGRANIT has become the leading coloured sink of choice in Canada.

Faucets & Accessories

BLANCO kitchen faucets represent the highest quality and latest cutting-edge European design innovations. Custom accessories add protection and functionality.

Perfect Harmony and Balance.  
Tempered in Steel.

Reshaping ideas about life and design. From BLANCO comes PERFORMA, a new line of harmonized kitchen and bar sinks that offers the essential simplicities of balanced proportions, clever design and the fusion of form and function.

Emerging from the growing complexity of our lives is a newly invigorated desire to create a home environment that is in tune with our emotions and sense of well-being. Eliminating superfluous clutter and meaningless excess, paring down to the essentials and integrating with nature, are all fundamental to instilling a sense of harmony in the home. This sense of comfort and tranquility is reflected in the timeless simplicity of minimalist design. Balanced proportions, harmony, and the fusion of perfect form and function foster a sense of natural order and clarity.

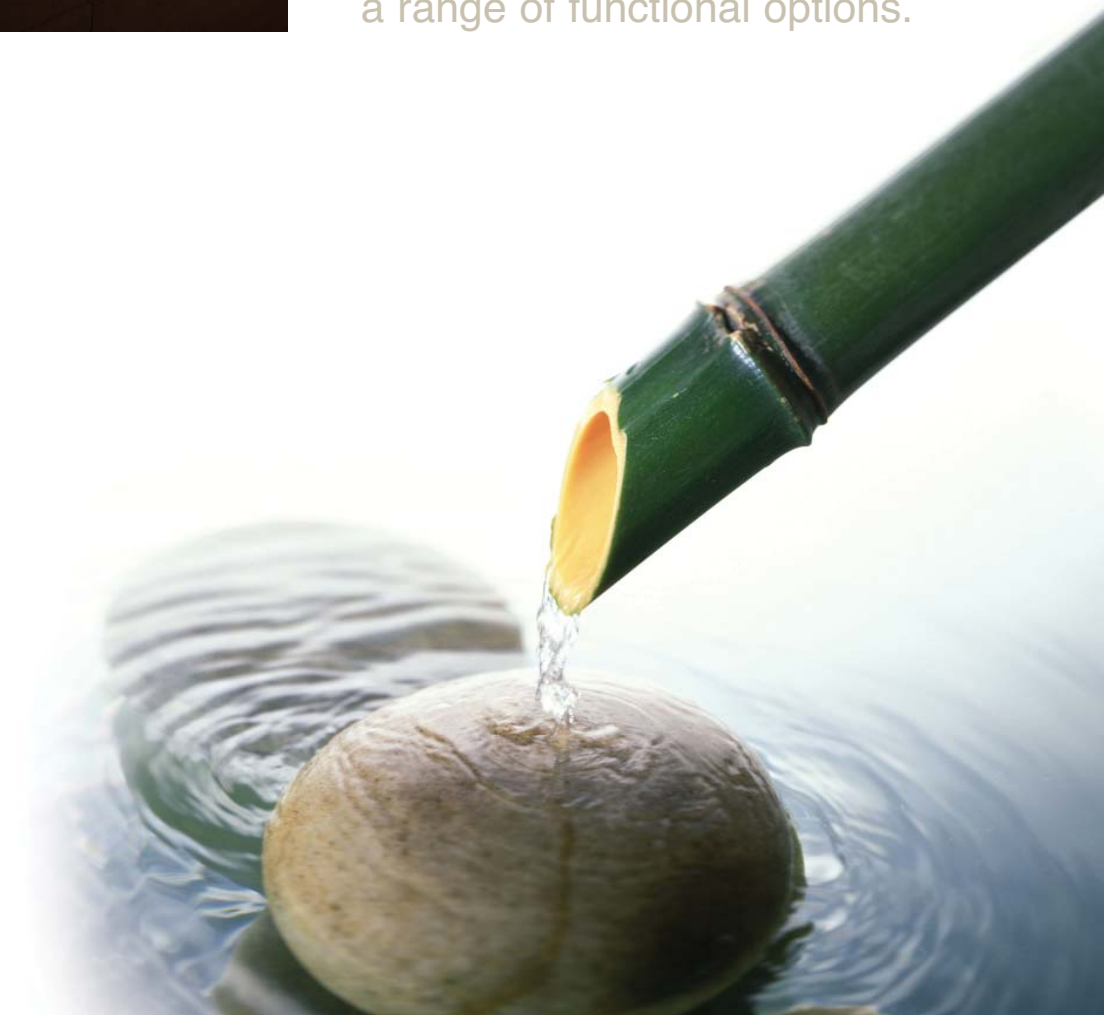

To transform the kitchen from a place where we often eat and run to one of harmony, nurturing and sustenance, all elements need to be a perfect fit to our lifestyle — carefully selected to provide the simplest of functional solutions. BLANCO PERFORMA's unique design redefines efficiency by taking up less counter space with greater capacity. Deeper 10" bowls with straight sides and flat bottom surfaces maximize bowl capacity for large kitchen items. Off-centred, rear-positioned drains maximize usable space under the counter.

BLANCO

Every PERFORMA sink comes with BLANCO's finest features including 18-gauge and 304 series stainless steel with 18/10 chrome-nickel content, for exceptional lustre and durability. A luxurious brushed satin finish offers a softer, warmer alternative to more commonplace harsher stainless finishes. Custom accessories provide a range of functional options.

A minimalist landscape of strong linear forms. Harmonize your dining, entertainment and cooking areas by choosing from a complete collection of matching kitchen, bar or entertainment sinks. Decorate with shapes that inspire you. Made in Germany with unparalleled quality, BLANCO PERFORMA offers the most complete line of kitchen and entertainment sinks in North America.

# CUSTOM ACCESSORIES

Custom accessories are designed to fit and function perfectly with your sink. Custom-fitted stainless steel sink grids sit on the sink bottom on non-skid protective feet and offer protection for your sink bowl surface from dishes and utensils. The heat-resistant grids are also ideal for the countertop for cooling baked foods while protecting the counter surface. A custom-fitted colander allows you to rinse and drain vegetables or pasta in the sink, and premium-quality, beautifully grained walnut cutting boards, available in three sizes, sit on the counter or fit snugly over the sink for ultra convenience.
